VISION

Oberon Primary School's vision is ***"To be a vibrant learning community with high expectations, that provide a respectful, cooperative and caring environment which maximizes learning, personal wellbeing and growth for all students in our ever-changing world"***

MISSION

OBERON Our Aim Our Best

OBJECTIVE

Oberon Primary School's philosophy is based around the development of the whole individual child. Our students benefit from programs that are personalised, enabling them to experience success and to reach their full potential.

VALUES

At Oberon, we aim to foster skills and attributes in our students that extend beyond the classroom. We have embraced the gr8 people program to support our students to become well-rounded individuals who are able to successfully function in our ever-changing world.

The gr8 people program comprises ten key attributes. While the idea is that the attributes are 'caught NOT taught' we do set aside regular time to focus on the development of these attributes through learning experiences and targeted activities.

The ten attributes are:

Balanced

Caring

Creative

Fair & Trustworthy

Good communicators

Hardworking

Knowledgeable

Positive

Problem solvers

Team players

Students who exhibit these attributes are celebrated and rewarded at our regular whole school assemblies. We really do think our students are gr8!
