POLICY

- 1. School profile

Oberon Primary School is located in the increasingly popular and progressive southern Geelong suburb of Belmont. The school was established in 1957 and has a strong sense of history and connection to the local community. Currently, we have 230 students and expect these numbers to remain steady. Our supportive, creative and flexible culture enables staff, students and parents to work diligently together in order to research, plan and deliver educational experiences that best meet our students' diverse needs, talents and strengths, throughout each level from Prep/Foundation to Grade 6. We are committed to continuous refinement and development of our teaching practices.

Oberon Primary strives to provide a safe and supportive community of life-long learning where respect, diversity and pride are valued by all. The links the school has with the community provide extra-curricular activities and leadership opportunities for students. We encourage outstanding performances in the areas of leadership, academic achievement, sport, performing arts, cultural and artistic achievement. Our students are actively engaged in all levels of the decision making within the school community and the school places high value on the expertise of our teachers and the role of parents as partners in learning.

Oberon Primary School has developed a Guaranteed and Viable Curriculum using the "Victorian Curriculum" and is transitioning to the Victorian Curriculum 2.0. It also has embedded assessment and reporting procedures.

The school has focused on monitoring student attendance and as a consequence over the years have introduced a variety of positive strategies to encourage regular attendance. We have introduced Compass to report absences and track student participation and behaviours across the school.

Our experienced staff is highly committed to the wellbeing and education of the students. The teacher profile at OPS represents a balance of experienced and graduate teachers. The school is student and curriculum focused. It strives for and encourages maximum achievement in all areas of teaching, learning and student wellbeing. Specialist programs include Visual Arts, Phys. Ed., STEM and we teach Auslan as our language program. We offer an out-of-school hours care program (operated by Team Kids) and the numbers of students using this service is steady.

2. School values, philosophy and vision

Our philosophy is based around the development of the whole individual child. Our students benefit from programs that are personalised, enabling them to experience success and to reach their full potential. In addition, Oberon Primary promotes the philosophy of equal opportunity, non-discrimination and the recognition of the diversity of cultures. Each student is made aware that bullying and intolerance are not accepted at school, and that good manners, hard work and kind deeds are encouraged.

Oberon Primary prides itself on being a supportive and caring school. Students who are living under difficult circumstances are supported by the school. Parents of these students are also offered support both emotionally and financially by being directed to the most suitable agency that can accommodate their needs.

At Oberon Primary School we aim to:

- foster a healthy school culture in which high levels of achievement take place within a positive social environment through engagement
- provide students with a safe learning environment where students feel physically and emotionally secure
- provide support for individual circumstances when a student begins to disengage from their learning, when regular attendance is not consistent or positive
