WELCOME BACK TO SCHOOL

A WELCOME MESSAGE BY MR. MCCOOMBE,

Dear Families,

Who can believe we are almost halfway through the term already! We have had many celebrations at Oberon Primary School over the past two weeks, which you will see below. We always enjoy sharing these celebrations with our wonderful school community and families!

Semester 1 Reports -
We will be providing student achievement reports for Semester 1 this year as usual. The reports will be available on Monday 22 June via Compass.

The reports will continue to provide important details about student learning attainment, but full descriptive comments may not be included as a result of industrial action taken earlier this term by the Australian Education Union.

DATES FOR THE DIARY

Term 2:
MAY
27th - Prep Simultaneous Story Time
29th - Winter Lightning Premiership
29th - NO ASSEMBLY

JUNE
5th - Curriculum Day (NO STUDENTS)
8th - Kings Birthday (NO STUDENTS)
12th - Prep Fairy Park
12th - Assembly 2:45pm
19th - Prep Fairy Tale Dress up
22nd - GSODA: Seussical the Musical (ALL Years)
26th - Morning Assembly
26th - Last Day of Term (2:30pm Finish)

I acknowledge the Wadawurrung people as the traditional owners of the land. I pay my respects to Elders past, present and emerging, and acknowledge Aboriginal and Torres Strait Islanders as the first people of Australia.

We will, of course, be pleased to discuss your child's progress with you at our next parent-teacher interviews, which will be scheduled for Term 3. As always, you can contact the classroom teacher to arrange a meeting.

Education Support Staff Appreciation Day -
Our staff celebrated Education Support Day on Monday 18 May. We encourage the OPS community to join in and acknowledge the wonderful work our ES staff do in the classroom and administration. Thank you for keeping our school running, supporting our students to learn, supporting our teachers to teach, and engaging our community in our school. Your efforts are very much appreciated.

Education Support staff have a range of roles and responsibilities across the school that should be acknowledged and appreciated. These include:

- Daily classroom and targeted support for individuals and groups of students
- Managing lost property, donated food, and sickbay
- Maintaining the running of the office and managing all school business transactions
- Supporting families with State School Relief
- Training and overseeing first aid needs for students and staff
- Facilities and grounds maintenance

We literally could not run the school without them! Please be sure to say a big "thank you" to our ES staff this week for all that they do for our students and our school.

3–6 Athletics -
Our 3–6 Athletics Day was a wonderful success and enjoyed by all who attended and participated. We are incredibly fortunate to have the space and facilities to conduct such a wide range of events, allowing all students to be actively involved throughout the day.

A huge thank you to our parent volunteers who gave their time to assist, as well as our staff for their support and encouragement across the day. A special thank you must go to Miss Steinfort for her outstanding organisation and for ensuring the day ran so smoothly and successfully. We would also like to congratulate all of our students for their efforts and positive attitudes. No matter the result, every child challenged themselves and gave their best. It was wonderful to see so much determination, resilience and encouragement shown by all students throughout the day.

Enrolments -
Enrolments for the 2027 intake of Foundation/Prep students are now open. In line with the Department of Education's Placement Policy and timeline, we will contact you in early August to

advise the outcome of your child's Foundation/Prep enrolment application. If you live within our school zone or already have a sibling enrolled at our school, your enrolment will automatically be accepted. However, for planning purposes, please submit enrolments as soon as possible.

Winter Is Coming and So Is Flu Season -
As we enter the colder months of the year, we need to keep in mind the precautionary measures we can take to prevent the transmission of illness such as COVID, flu, coughs and colds.

Important actions include:

- Children should stay home if unwell
- Wash hands thoroughly after going to the toilet
- Sneeze into your elbow
- Sanitise hands regularly
- Our combined efforts to implement these strategies will go a long way in ensuring the overall health of all students, staff and families.

Curriculum Day Reminder -
Don't forget that Friday June 5th is a curriculum day at Oberon Primary School and is a pupil-free day. Our teaching staff will be involved in curriculum mapping as well as moderating assessments in preparation for reporting.

We hope you have a great weekend ahead!

Stu McCoombe
